

RFP 20-0820 Questions and Answers

Q: Is there a required or anticipated number of individuals to be served during the initial term of the contract?

A: The grant with USDOL specifies an anticipated 35 students per year. Depending on several factors, including the social distancing requirements of Pinellas County Schools, either the number of students or the schedule may need to be amended to accommodate as close to that number as possible.

Q: Under the “Supplies” line item, it provides that “many construction materials are already in stock”. Is there an inventory list or approximation of the types and amount of construction materials in stock?

A: To obtain a copy of the most recent inventory list proposers may send an email request to rfp@careersourcepinellas.com.
