Action Item 2 – Annual 401(k) Plan Audit

The Audit Committee approved Thomas Howell Ferguson P.A. to perform a limited scope audit of the 2020 financial statements at its April 29, 2021, meeting and the Board of Directors followed up with their approval at the May 19, 2021, meeting.

As permitted under the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed Thomas Howell Ferguson P.A. to perform a limited scope audit and thus, they did not perform any auditing procedures with respect to any investment information which was certified by Reliance Trust Company. If any changes are required to the audit report, an amended audit report will be filed. The Department of Labor allows amended audit reports to be filed without penalty as long as Form 5500 is filed timely.

Action Item 3 – Department of Economic Opportunity (DEO) – 2021-2022 Internal Control Questionnaire and Assessment

The Internal Control Questionnaire and Assessment (ICQ) was developed by the Department of Economic Opportunity (DEO), Bureau of Financial Monitoring and Accountability, as a self-assessment tool to help evaluate whether a system of sound internal control exists within the Local Workforce Development Board (LWDB).

The self-assessment ratings and responses should reflect the controls in place or identify areas where additional or compensating controls could be enhanced. Based on the Grantee-Subgrantee Agreement, the ICQ is required to be completed and certified by the Executive Director and Board Chair or their designee and submitted to DEO by September 30. However, DEO extended the deadline to November to allow the CareerSource Pinellas Audit Committee and Board to review and approve the ICQ at their October and November meetings, respectively. Some of the new controls implemented during the last year were as follows:

- Implemented many IT strategic initiatives that strengthened access and physical controls over IT processes
- Hired external firm to perform semi-annual internal monitoring
- Improved and strengthened Sub-recipient monitoring
- Elimination of supportive service cards

Report on the Financial Statements

We have audited the accompanying financial statements of WorkNet Pinellas, Inc. (the Organization) which comprise the statement of financial position as of June 30, 2021, the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Page Two

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WorkNet Pinellas, Inc., as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Uncertainties Regarding the Financial Outcome of Regulatory Matters

As discussed in Note 10 to the financial statements, the Organization is party to pending regulatory actions that could result in its liability for repayment of grant funds. The Organization's management believes that the eventual settlement of these actions will not have a material effect on the Organization's financial position. Nevertheless, it is at least possible that such an effect will occur, although the amount cannot be estimated. Settlement of these regulatory actions is expected within the next year. Our opinion is not modified with respect to this matter.

Other Matters

Prior Year Financial Statements

The financial statements of WorkNet Pinellas, Inc. as of and for the year ended June 30, 2020, were audited by other auditors whose report dated February 17, 2021, expressed an unmodified opinion on those statements.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the schedule of findings and questioned costs relating to federal awards are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Page Three

Report on Summarized Comparative Information

Other auditors have previously audited WorkNet Pinellas, Inc.'s 2020 financial statements, and expressed an unmodified audit opinion on those audited financial statements in their report dated February 17, 2021. In our opinion, the summarized comparative information presented in the statement of functional expenses as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated NEED DATE on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Financial Statements

Years ended June 30, 2021 and 2020

1. Nature of Operations and Significant Accounting Policies

WorkNet Pinellas, Inc. is a not-for-profit corporation that was established on March 2, 2001, under the provisions of the Florida Corporations Not-For-Profit Law set forth in Chapter 617 of the Florida Statutes. The Organization was created in accordance with the Florida Workforce Innovation Act of 2000 to serve as the administrative entity for programs of the Local Workforce Development Board in Pinellas County. This public-private partnership supports and promotes economic growth through workforce development. Effective February 10, 2014 and July 7, 2014, WorkNet Pinellas, Inc. (the Organization) began doing business as CareerSource Pinellas. - Temporary Assistance for Needy Families
- Wagner Peyser

- National Emergency Grants
- Reemployment Services and Eligibility Assessment

Notes to Financial Statements

1. Nature of Operations and Significant Accounting Policies (continued)

Basis of Accounting

The Organization uses the accrual basis of accounting. The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies are described below.

Basis of Presentation

The financial statements and notes are representations of the Organization's management who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) *Audit and Accounting Guide for Not-for-Profit Organizations* (the Guide). (ASC) 958-205 was effective January 1, 2018.

Effective July 1, 2020, the Organization adopted Accounting Standard Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606) as management believes the standard improves the usefulness and understandability of FLR's financial reporting. The ASU was effective for fiscal years beginning after December 15, 2018, but had an optional one year delay for implementation.

Notes to Financial Statements

1. Nature of Operations and Significant Accounting Policies (continued)

Contributions and Restricted Net Assets

Unconditional contributions are recognized when received and recorded as net assets without donor restrictions or with donor restrictions, depending on the existence and/or nature of the donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as assets without donor restriction upon acquisition of the assets and the assets are placed in service.

The Organization historically does not receive contributions from donors. Primarily all of its funding is through grants, which must be expended on specified programs or activities. Cost reimbursement grants are recorded as revenue when the related expenses have been incurred. Other grants are recorded as support and revenue when earned. As of June 30, 2021 and 2020, all net assets of the Organization where without donor-imposed restrictions.

Donated Services

The Organization records donated services as revenues if either; (a) they create or enhance nonfinancial assets; or (b) they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. There were no donated services recorded during the year ended June 30, 2021 or 2020.

Notes to Financial Statements

1. Nature of Operations and Significant Accounting Policies (continued)

Fair Value Measurements

The Organization applies the provisions of Financial Accounting Standards Boards (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, for fair value measurements of financial assets and liabilities that are recognized at fair value in the financial statements on a recurring basis. Topic 820 defines fair value as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 established a three-tier hierarchy to maximize the use of observable market data and minimize the use of unobservable inputs, and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available.

At June 30, 2021 and 2020, the Organization had no assets or liabilities subject to disclosure of fair value measurements related to the valuation levels hierarchy per Financial Accounting Standards Board Statement No. 157.

Measure of Operations

The statements of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature. There were no non-operating activities for the years ended June 30, 2021 and 2020.

Cash and Cash Equivalents

Cash consists of amounts on hand and amounts in demand deposits with financial institutions. Deposits with financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor. Bank deposits at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts.

For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash.

Cash designated for capital improvements to buildings and to fund accrued paid time off is classified as restricted cash in the accompanying statement of financial position.

1. Nature of Operations and Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable represents amounts due from employer services agreement, service provider contract, insurance reimbursements, refunds and other miscellaneous customers. Based on historical collections, management believes all receivables are fully collectible.

Property and Equipment

Property and equipment are recorded at cost, if purchased, or at estimated fair value at date of receipt if acquired by gift. Depreciation is recognized over the estimated useful lives of the assets of 3 to 7 years for equipment and vehicles; 5 years for leasehold improvements, and 15 years for building improvements using the straight-line method. All expenditures of property and equipment less than \$5,000 are expensed when purchased.

In the event of disposal of property and equipment acquired through expenditures of federal funds, the Organization may be required to return the property and equipment to the funding source or obtain its approval prior to disposal of the property and equipment. Additionally, the proceeds from any disposal of property and equipment may be required to be refunded to the respective funding source.

Accrued Leave

The Organization's employees are entitled to personal time off (PTO) which combines time off for personal, vacation, and sick leave. PTO is based on length of employment and other factors. PTO is accrued when earned. At June 30, 2021 and 2020, PTO of \$210,722 and \$248,154, respectively, is included as a component of accounts payable and accrued expenses in the statements of financial position.

Retirement Plan

The provision for pension costs is recorded on an annual basis. Pension costs are funded as they accrue.

Income Taxes

The Organization is a not-for-profit corporation under the laws of the state of Florida and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. The Organization believes that it has no liability for taxes with respect to unrelated business income. However, such status is subject to final determination upon examination of the related income tax returns by the appropriate taxing authorities.

Notes to Financial Statements

1. Nature of Operations and Significant Accounting Policies (continued)

Income Taxes (continued)

The Organization follows Accounting Standards Codification Topic 740, *Income Taxes* (ASC 740). A component of this standard prescribes a recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than not to be sustained upon examination by taxing authorities. the Organization's policy is to recognize interest and penalties associated with tax positions under this standard as a component of this standard for the year ended June 30, 2021. As required by Internal Revenue Service regulations, the Organizational annually files a Form 990, Return of Organization Exempt from Income Tax, with the Internal Revenue Service. With few exceptions, the Organization is no longer subject to examinations by major tax jurisdictions for years ended June 30, 2018, and prior.

Revenue Recognition

Revenues and the related expenses of cost-reimbursement grant programs are recognized as allowable costs are incurred (when the performance obligation has been met). Federal grant advances are classified as unearned revenue until expended for the intended purpose. Grants receivable relates to support earned but not yet received from federal sources.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Notes to Financial Statements

1. Nature of Operations and Significant Accounting Policies (continued)

Functional Allocation of Expenses

The cost of providing the Organization's various programs and other supporting services have been summarized on a functional basis in the statement of activities. Direct expenses are charged directly to the related program. Certain costs which are directly shared have been allocated to programs based upon the relative benefits received. Expenses that are not directly identifiable with a specific program are allocated as indirect costs to benefiting programs based upon the rate approved by the U.S. Department of Labor. When it is impractical to directly allocate expenses, costs may be charged to a cost pool and then distributed to the ultimate benefitting cost center through the application of an appropriate allocation method. Employees document their work activities through personnel activity reports. The data is compiled each pay period and is used in allocating costs by full-time employees. This data is also used in allocating costs for all cost pools.

Subsequent Events

The Organization has evaluated subsequent events through NEED DATE, the date the financial statements were available to be issued. During the period from June 30, 2021 to NEED DATE, the Organization did not have any material recognizable subsequent events.

Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation.

The matching contribution is only provided to those employees who elect to contribute to the Plan. During 2021 and 2020, the Organization elected to provide the NEC but not the matching contributions. Employer contributions were \$146,695 and \$177,539 for the years ended June 30, 2021 and 2020, respectively.

9. Grants

Costs charged to federal programs under cost-reimbursement grants are subject to government regulatory audits. Therefore, all such costs are subject to adjustment. Management believes that adjustments, if any, would not have a significant effect on the financial statements. The Organization receives a substantial amount of its support from federal agencies through various grants. Any significant reduction in the level of this support could have an effect on the Organization's programs.

10. Commitments and Contingencies

On May 15, 2019, the U.S. Department of Labor, Employment and Training Administration (ETA) issued its report on the "Compliance Review of CareerSource Tampa Bay and CareerSource Pinellas". In this report the ETA documented seventeen findings regarding grant administration of Department of Labor Funds by the Florida Department of Economic Opportunity, CareerSource Tampa Bay and the Organization during the period July 1, 2013 through June 30, 2018. Included in these findings were questioned costs of \$9,753,924 in WIOA funded on the job training payments, \$5,449,113 in supportive services cards issued to WIOA participants, \$2,031,866 in Business Service Staff incentives and \$408,487 in salary related payments. Of this total of \$17,643,410 approximately \$5,557,469 relates to funds administered by the Organization.

10. Commitments and Contingencies (continued)

The Florida Department of Economic Opportunity, the direct recipient of the U.S. Department of Labor funds, in cooperation with the two CareerSource agencies formally responded to the findings on June 28, 2019 and subsequently requested technical assistance from ETA to fully address and resolve the findings. This process remains ongoing, and the Organization intends to work diligently to implement corrective actions, provide additional information to fully correct the noted deficiencies and resolve the questioned costs. The Organization has identified approximately \$2.55 million in unrestricted funds that could be utilized to repay any final disallowed costs. However, it is not possible to estimate the amount, if any, of the questioned costs that will eventually be required to be repaid by CareerSource Pinellas.

11. Related Party Transactions

In accordance with applicable regulations, the Organization's Board of Directors includes representatives of private and public sector industries. Other Reports and Supplementary Information

Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors WorkNet Pinellas, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of WorkNet Pinellas, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year ended, and the related notes to the financial statements and have issued our report thereon dated AUDIT REPORT DATE.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditors on Compliance for Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors WorkNet Pinellas, Inc.

Report on Compliance for Each Major Federal Program

We have audited WorkNet Pinellas, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2021. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Special Rules

- X For an organization described in section 501(c)(3) filing Form 990 or 990-EZ that met the 33 1/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), that checked Schedule A (Form 990 or 990-EZ), Part II, line 13, 16a, or 16b, and that received from any one contributor, during the year, total contributions of the greater of (1) \$5,000; or (2) 2% of the amount on (i) Form 990, Part VIII, line 1h; or (ii) Form 990-EZ, line 1.
