#### Action Item 2 – Approval of Annual 401K Audit

- a. Financial Statements and Supplemental Schedule (Included in the board packet.)
- b. Report to Those Charged with Governance (Included in the board packet.)

WorkNet Pinellas, Inc. 401k Plan is required to have an annual audit by an Independent CPA firm. The Audit Committee approved Thomas Howell Ferguson P.A. to perform an ERISA Section 103 (a)(3)(c) audit (previously "limited scope audit") of the 2021 financial statements at its May 6, 2022, meeting and the Board of Directors followed up with their approval at the May 26, 2022, meeting.

As permitted under the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed Thomas Howell Ferguson P.A. to perform an ERISA Section 103 (a)(3)(c) audit and thus, they did not perform any auditing procedures with respect to investment information which was prepared and certified by John Hancock. Thomas Howell Ferguson P.A. did perform audit procedures on employee eligibility, employer and employee contributions, employee loans, etc. Their responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States. Because Thomas Howell Ferguson P.A. performed an ERISA Section 103 (a)(3)(c) audit, they did not express an opinion on the 2021 financial statements.

The attached financial statements along with the organization's Form 5500, were scheduled to be filed with the IRS and Department of Labor by the October 15, 2022, deadline. However, due to Hurricane Ian, the filing deadline has been extended until February 15, 2023.

#### RECOMMENDATION

Approval of the enclosed WorkNet Pinellas, Inc. 401(k) Plan Financial Statements and Supplemental Schedule for the years ended December 31, 2021, and 2020.

#### **Discussion:** None

#### Action Item 3 - Audit of June 30, 2022, Financial Statements

- a. Financial Statements and Supplemental Schedule (Included in the board packet.)
- b. Report to Those Charged with Governance (Included in the board packet.)

The Audit Committee approved Thomas Howell Ferguson P.A to perform the financial statement audit of the June 30, 2022, financial statements at its May 6, 2022, meeting and the Board followed up with their approval at the May 26, 2022, meeting.

The audit firm of Thomas Howell Ferguson P.A has completed the annual financial audit for WorkNet Pinellas, Inc. for the fiscal year ended June 30, 2022. Enclosed is a copy of the Financial Statements and the *Auditor's Communications with Those Charged with Governance*.

# Action Item 4 - Compensation Review Results

At the 04/07/2022 Compensation Committee Meeting, a proposal to conduct a compensation review was approved and later brought before the Board of Directors for a vote. Compensation Resources' proposal was approved at the 05/26/2022 Board of Directors Meeting.

The compensation review was conducted, and the report is included in this packet for your review and reference. Diana Neelman, with Compensation Resources, will be giving an overview of their findings and is available to answer any questions.

Based upon the results of the compensation review, it is recommended that pay ranges for all existing job classifications be increased by 4.7% from the previous compensation review performed in 2019, to ensure CareerSource Pinellas offers competitive salaries and compensation compared to the marketplace. Staff salaries will be evaluated in order to determine alignment with new pay ranges and salary increases may be approved up to 4.7% depending on the employee's hire date, any recent promotion, and the where the employee's current salary falls within the pay range. The total annual impact of every employee, excluding the Interim CEO, receiving a 4.7% increase would be approximately \$131,000. Any approved increases would be effective January 1. 2023 (50% of the year); thus, the maximum impact for 2022-2023 would be \$65,686. The Budget Modification I, that will be considered today by the Board for approval, includes \$55,458 for increased salaries due to Compensation Review. Since not all employees will receive the full 4.7% increase, staff feels that the Budget Modification that will be considered adequately covers any anticipated salary increases resulting from adjustments from the compensation review.

Paragraph 11 of the DEO funding agreement provides in part: "Funds provided by DEO may not be used to fund salary, bonus, or incentive of any employee in excess of Federal Executive Level II, regardless of funding source." The Office of Personnel Management released new salary levels for the Executive Pay Scale and effective January 2, 2022, the salary limitation for Executive Level II is \$203,700.

\*The full review was included with this board packet.

#### RECOMMENDATION

Approval to adopt Compensation Resources' proposal and increase employee pay ranges by 4.7%. Staff salaries will be evaluated to be in alignment with the updated pay ranges and salary increases may be approved up to 4.7%.

#### **Discussion**: None

Second:	Barclay Harless		

The Board of Directors made a motion for approval to adopt Compensation Resources' proposal and increase employee pay ranges by 4.7%. Staff salaries will be evaluated to be in alignment with the updated pay ranges and salary increases may be approved up to 4.7%. The motion carried unanimously.

#### Action Item 5 - DEO 2022-2023 Internal Control Questionnaire & Assessment

The Internal Control Questionnaire and Assessment (ICQ) was developed by the Department of Economic Opportunity (DEO), Bureau of Financial Monitoring and Accountability, as a self-assessment tool to help evaluate whether a system of sound internal control exists within the Local Workforce Development Board (LWDB).

The self-assessment ratings and responses should reflect the controls in place or identify areas where additional or compensating controls could be enhanced. Based on the Grantee-Subgrantee Agreement, the ICQ is required to be completed and certified by the Executive Director and Board Chair or their designee and submitted to DEO by September 30. However, DEO extended the deadline to November 18, 2022, to allow the CareerSource Pinellas Finance Committee and Board to review and approve the ICQ at their October and November meetings, respectively. Some of the new controls implemented during the last year were as follows:

- Engaged internal monitoring firm to conduct annual required subrecipient monitoring.
- Revised Procurement Policies and Procedures.
- Compensation Review was conducted to review organizational structure, salaries and positions. In addition, new hires have been brought in to fill organizational gaps and assist with succession planning for CFO.
- Migrated from ATLAS to Employ Florida.
- Dedicated staff position was created to ensure all policies, procedures and related control activities are reviewed for continued relevance and effectiveness.
- Renewed 24/7/365 cyber-security monitoring and security awareness training for employees.

The current contract for Workforce Youth Services with Pinellas Education Foundation ends as of June 30, 2023. This is the third and final annual renewal. #### **INFORMATION ITEM 1 – REACH Act Update**

The Reimagining Education and Career Help Act (REACH) was signed into law in July 2021. It is a comprehensive blueprint for enhancing access, alignment, and accountability across the state's workforce development system. Implementation of the REACH Act is a priority of the CareerSource Florida Board of Directors. Three Main Components of the REACH Act.

- 1. Letter Grades
- 2. Re-alignment
- 3. Florida Credentials Review Committee

#### **LETTER GRADES**

The REACH Act seeks to improve accountability in the workforce system. The Law calls to develop criteria for assigning a letter grade to local workforce boards based on local board performance accountability measures and return on investment. Baseline grades were released on October 18, 2022, and grades are made public with the goal of elevating Florida's workforce. The current grades were determined retroactively from 2022 and will be updated on an annual basis.

Using criteria set by the Governor's REACH Office and data from the 2021-2022 fiscal year, CareerSource Florida announced during the Oct. 18 CareerSource Florida Board Executive Committee meeting that 13 As, 10 Bs and one C had been assigned to the 24 local workforce development boards. CareerSource Pinellas received a score of 87.98%, or B+. The breakdown of the grade is on the following page (info tables included in meeting packet).

#### Areas to Improve:

- Work-based learning Opportunities
- Documentation of Business Service Activities
- Outreach and Services to SNAP and TANF customers

#### REALIGNMENT

CareerSource Florida (CSF) is exploring approaches to aligning Florida's 24 local workforce development boards consistent with the charge of reducing the number of local boards under the REACH. Ernst & Young (EY) was hired by CSF to perform the evaluation and study. The goals of realignment are to:

- Eliminate multiple layers of administrative entities to improve coordination of the workforce development system.
- Establish consistent eligibility standards across the state to improve the accountability of work-force related programs.
- Provide greater flexibility in allocating resources to maximize the funds directed to training and business services.

October was a month of robust engagement as part of CareerSource Florida's commitment to involve all partners in evaluating the alignment of Florida's 24 local workforce development boards to identify options for consolidation. Many of the 150 in-person and online interviews, roundtables, focus groups, webinars and workshops for state and local leaders have taken place during October, with more than 400 participants.

#### Engagement included:

- Local Workforce Development Boards:
  - o 24 one-on-one, in-person interviews in September with the chief executives of each board.
  - o 24 focus groups for leadership and staff in October.
  - 7 regional in-person workshops earlier in November.
- Employers, Economic Developers, Educators & Other Leaders:
  - o 48 roundtable discussions in October.

o A webinar with chief local elected officials Oct. 27. A second workshop and interviews with state leaders will occur in November/December.

Engagement will continue into early 2023, along with research and data analysis, focused on identifying options that best address the intent of the REACH Act and the commitment to continuous improvement of the CareerSource Florida network.

EY will develop three potential options for action to be considered by the CareerSource Florida Board of Directors. These options will be developed in coordination with CareerSource Florida staff and the REACH Act office, and will focus on federal WIOA requirements, REACH Act priorities, stakeholder input, and research from Phases 1 and 2. The options will be included in the Final Project Report to be delivered at the February 2023, CareerSource Florida Board of Directors meeting. Information in the option descriptions will include:

- Maps of potential new local workforce development area geographies
- WIOA and REACH Act compliance factors
- High-level change management considerations
- Benefits and risks

#### FLORIDA CREDENTIALS REVIEW COMMITTEE

Empowered by Florida's landmark REACH Act, the Credentials Review Committee establishes a definition for credentials of value, creates a framework of quality, and identifies non-degree and degree credentials of value to ensure instructional programs prepare Floridians for in-demand occupations.

In January 2022, the Florida Credentials Review Committee created four workgroups focused on the four key elements of a Framework of Quality (that is, wages, demand, credential sequencing and credential identification).

For more information on the REACH Act:

https://careersourceflorida.com/boardroom/reach-act/

#### INFORMATION ITEM 2 - Subrecipient Monitoring for Period July 2021 - June 2022

2 CFR 200.331(d) requires that awarding agencies "monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward." ## ACTION ITEM 4 WIOA Dislocated Worker Fund Transfer Approval

#### **Background**

The Workforce Innovation and Opportunity Act (WIOA) provides the authority for Local Workforce Development Boards (LWDB), with the approval of the Governor, to transfer 100% of the funds allocated to the LWDB for adult activities for expenditure on dislocated worker activities, and dislocated worker funds for expenditure on adult activities. Funds may not be transferred to or from the WIOA Youth program.

Prior approval from Florida Department of Economic Opportunity (DEO) is required for each transfer. In addition, when the request exceeds 25% of the annual allocation, the full board must vote to approve the request.

CareerSource Pinellas requested transfer of \$300,000 in October. Because this amount was under 25% of the annual allocation, Board approval was not required. CareerSource Pinellas received DEO approval on October 21, 2022. CareerSource Pinellas is requesting an additional transfer of \$400,000 to bring total request to \$700,000 which is 50% of the total annual allocation. With approval of this transfer, CareerSource Pinellas still has sufficient funds to serve dislocated workers for the remainder of the program year.

#### RECOMMENDATION

Staff recommends approval of the transfer of \$400,000 additional funds from Dislocated Worker to Adult as shown below and more fully described in the attached DEO Prior Approval Transfer Request Form - WIOA Adult and Dislocated Worker (DW) Programs.

Program Year	Total Award Amount	Amount of DW Requested to be Spent on Adult	Percentage of DW Requested to be Spent on Adult	Status

### **Compensation Review Summary & Impact**

The compensation review was completed in October of 2022 and at that time the recommendation was to increase our pay ranges by 4.7% to bring them more into agreement with the current job market. That recommendation was approved at the November 16, 2022, Board meeting. Upon review of the salaries of the current employees the decision was made to consider increases to current salaries up to 4.7% to align current staff with the updated pay ranges. Effective January 1, 2023:

- 39 out of 55 (71%) employees received an increase. Those that did not were either highly compensated, newly promoted, or newly hired.
- Only 4 employees received less than the maximum increase rate of 4.7%.
- The average amount of the increase was \$2,345 annually per person.
- The impact of the increases for the 2022-2023 program year is \$44,553.
  - Budget Modification I included \$55,458 for salary increases.
- The total impact to the annual budget will be an additional \$89,000.

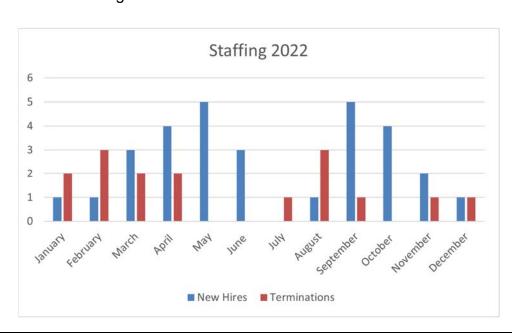

### INFORMATION ITEM 4 2022 Year In Review - Staffing

#### **INFORMATION ITEM 5**

#### 2023 Benefits Renewal

For 2023 benefit year, CareerSource Pinellas opted to move medical insurance carriers from Humana to Florida Blue Cross and Blue Shield (Florida Blue).

- Humana quoted a 67% increase in medical insurance premiums
- Florida Blue quoted a decrease of 3% in medical insurance premiums
  - o Four medical options are offered to our employees
- Our ancillary plans for dental and vison were transferred to Mutual of Omaha due to costs.
   The employee cost on these plans either remained the same or decreased slightly.

#### Employee Coverages:

- 53% of employees enrolled in health coverage
- 89% enrolled in dental coverage
- 80% enrolled in vision coverage
- Of 48 employees enrolled in our primary offerings of medical, dental and vision, all but 3 have the entire cost of their benefits offset by the benefit stipend. The stipend remains at \$12,580 per year per employee

The company also transitioned our Long-Term and Short-Term Disability insurance, Accidental Death and Dismemberment, and Voluntary Life coverage to Mutual of Omaha. The rates offered for Life and AD&D decreased 15.25% by switching.

We feel that the 2023 benefit offerings to employees offer significant savings to the organization and employees without sacrificing quality offerings for our employees.

### INFORMATION ITEM 6 Employee Engagement Survey Summary

Following the results of our Employee Engagement Survey the organization has begun to focus on the areas identified as opportunities from that survey:

- 1. Training: In response to unfavorable perception on training, there are current opportunities to expand and enhance the current training modules available to employees. New Hire Orientation is being revamped; annual trainings are being developed as well. Business Services conducted intensive training over a 30-day period during the fourth quarter of 2022. Currently there is a planned Inservice Day for staff development training in February.
- 2. **Benefits:** As stated with the benefit renewal report, emphasis was placed on obtaining better benefit offerings for employees for open enrollment. There was a 60% increase in enrollments during open enrollment for the 2023 benefit year. Also, 94% of employees enrolled in benefits have 100% of the cost offset by the benefit stipend.
- 3. Communication: There have been numerous improvements in regard to communication including in-person results of the engagement survey being held at each center, the employee engagement committee being formed, the employee newsletter being revived monthly, and other programs to increase communication and morale.
- 4. **Compensation:** CareerSource launched a compensation study that resulted in increases for 71% of staff members.

### **INFORMATION ITEM 12 Board Orientation Reminder**

#### Background

CareerSource Pinellas has contracted with Taylor, Hall, Miller, Parker, CPAs to provide an online Board Member Orientation module that complies with the Florida Department of Economic Opportunity's requirements. All Board members are required to complete an orientation upon appointment to the Board and a refresher on an annual basis. Both video-based courses satisfy the annual training requirements for board members outlined in guidelines for Local Workforce Development Area and Board Governance. In addition, both courses incorporate recent updates directly related to the board's ongoing oversight responsibilities, including a discussion of Florida's REACH Act and how the legislation impacts LWDBs. Since this is the first year using these online courses, all Board members will be asked to view the Board Member Orientation for PY 22/23.

 The one-hour Board Member Orientation for PY 22/23 provides board members and senior executives with a succinct, comprehensive review of their most crucial roles and responsibilities.

The Course covers the following topics:

- o Florida's workforce development system's goals and strategies
- Your LWDB's purpose
- o Roles and responsibilities of the CLEO, the fiscal agent, the LWDB, the LWDB Chairperson, and the LWDB's CEO/Executive director and staff
- o Workforce system funding
- o Performance requirements
- o Sunshine Law requirements and
- Conflict of interest

A certificate is generated once the course is completed and handouts are viewed; there is not a test. Please send completed certificates to Leah Geis at <u>LGeis@careersourcepinellas.com</u>.
